

Candidate's name	Alexander Jablon
Office sought	Rep: 11th Middlesex District
1. Experience with long-term services	Absolutely. I have had close family members in assisted living, nursing homes, and with personal care assistants at home. This has included 3/4 grandparents, great grand parents, great aunts and other extended family. Overall I would say their experiences were good, but one of the harder ones was transitioning my grandfather to more supervised care after his dementia worsened.
2. Personal needs allowance	Yes, up to \$160
3. "Small house" development	No position
4. Long-term care reform	Yes
5. Home care support	Yes
6. Transparent ownership	Yes
7. Pandemic funds audit	Yes
8. Nursing home resident rights	Yes
9. Anti-bullying	No position
10. Anti-psychotic medications	Yes
11. Minimum staffing	Yes
12. Enhanced surveying	Yes
Other comments	For questions 3 and 9, I need some additional information to provide an adequate answer. In principle, both sound like good ideas, but I am not taking a position until I can research further.
